

## ONE DAY WORKSHOP ON ARTIFICIAL INTELLIGENCE

**DATE: 26-12-2025**  
**TIME : 9AM-5PM**

Organized by

**DEPARTMENT OF**

**INFORMATION TECHNOLOGY**

**XYZ POLYTECHNIC**

**COLLEGE**

**NAMAKKAL-637505**

### CONTACT DETAILS

**04625-1312135**

## THE CONCEPT BEHIND

The workshop on **Artificial Intelligence (AI)** is designed to provide participants with both theoretical knowledge and practical exposure to the rapidly advancing field of AI. It aims to introduce fundamental AI concepts, explore real-world applications, and engage participants through hands-on sessions that help them understand and implement AI technologies effectively.

## OBJECTIVES OF THE WORKSHOP

The primary objective of the workshop is to educate participants on how Artificial Intelligence is transforming industries, driving innovation, and shaping the future. By the end of the workshop, participants will gain:

- A solid understanding of the core concepts of Artificial Intelligence
- Insights into real-world applications of AI across various industries
- Practical experience working with AI tools, algorithms, and models
- Awareness of ethical, social, and responsible AI considerations

**REGISTRATION FEES: RS.500/-**

**Maximum Participants: 30**

**Who can attend?**

**Diploma students**

**Last date for registration**  
**21-12-2025**

**Payment details**

**SB Account no:xxxxxxxxx**

**IFSC Code:IBONOXxxxxx**

**IOB,Namakkal**
